

Announcement: PEF Scholarship Program FY 2026

We are pleased to announce the availability of 15 slots in BBA and 25 slots in CS/IT for new intakes under the PEF Scholarship Program for the academic year 2026. These scholarships are awarded strictly on a merit-cum-need basis.

All institutions are requested to review and filter candidate profiles according to the selection criteria outlined below, and ensure that completed application forms along with all required documentation are submitted accordingly. In line with eligibility requirements, please send 50% more application forms than the total number of available slots.

Candidate Selection Criteria

Minimum score of 65% in Intermediate

Monthly family income must not exceed PKR 75,000/-

Preference for students currently in their first year of study

Orphaned and handicapped students will be given priority

Note: A list of supporting documents is provided within the scholarship application form. Submission of all mandatory documents is required with each application.

After reviewing the applications, the final list of selected students will be shared to the admission committee and displayed on SFAO page
